# Annual Scientific Meeting 2020

***November 20-22***

***Ritz-Carlton Lake Oconee  
Greensboro, GA***

# President's Welcome

---

Welcome to the 2020 Annual Meeting of the Georgia Chapter of the American College of Cardiology! We are delighted to be back at the Ritz-Carlton on Lake Oconee. In our 14th year, our tradition continues! The Program Committee has worked hard to develop a curriculum encompassing relevant topics for your enjoyment. We have planned to have a live and virtual hybrid meeting including social distancing and safety measures with the staff at the Ritz Carlton.

This year's Conference will be divided into four major areas: CV Risk and Prevention, Diagnosis and Treatment of Ischemic Heart Disease, and Cardiovascular Imaging.

Keeping last year's format, we'll start on Friday afternoon, each topic will be introduced by a Keynote Speaker, a moderator and subsequent panel discussion, including commentary from our audience members. This format continues to be well received by members.

Saturday will begin with an update from the National ACC by Dr. Athena Poppas, who plans to spend the weekend with us. There will be time to interact for a National perspective of the challenges facing Cardiovascular Medicine, and the approach our American College is taking.

Saturday evening, the Lifetime Achievement Award will be delivered to Dr. Robert Guyton, who will be recognized for contributions to medicine and the ACC.

Sunday's session includes a Diversity and Inclusion panel, our always popular case presentations and a lively game of Jeopardy (FIT's vs. Faculty) will close our conference.

As always, our goals for the weekend remain:

- Provide information that is relevant and practical to the care of our patients.
- Create a forum for dialog between fellow ACC members regarding the practice issues we face every day.
- Develop communication and relationships between our members and our industry partners.
- Explore the challenges facing us in the new era of healthcare delivery, as we march along the road from volume to value-based services, and understand what the ACC is doing nationally, and what we might be doing locally and state-wide.
- Relax with family and friends.

We have our Conference APP available at the App store: GA ACC 2020. This app will house our schedule, our speakers, our sponsors and keep us all connected during the conference. I want to welcome each of you back to our Chapter's fabulous Annual Meeting and I hope to see as many of you as the Ritz can accommodate.

Sincerely,  
J. Jeffrey Marshall, MD, FACC, MSCI  
President/Governor, GA Chapter American College of Cardiology

## Robert A. Guyton, MD, FACC

*Charles Ross Hatcher Jr, Professor of Surgery  
Director, Cardiothoracic Research Lab, Carlyle Fraser Heart Center  
Chief of Cardiac Surgery Emory University Hospital Midtown  
Emory University, Atlanta*

Dr. Guyton served as chief of the Division of Cardiothoracic Surgery at Emory from 1990-2017, and program director of the Emory CT Surgery Residency from 1990-2018. Under his guidance, Emory's CT surgery program achieved national recognition as one of the country's top programs in areas including off-pump coronary revascularization, congenital cardiac surgery, robotic mitral surgery, major aortic surgery, robotic-assisted coronary bypass, and transcatheter aortic valve replacement.

Dr. Guyton has influenced his field in other fundamental ways as well. He has been responsible for the education of some of the most accomplished and successful CT surgeons in the country and participated in the training of more than 140 resident physicians. Emory's CT surgery residency program accounts for approximately 5% of all active cardiac surgeons in the country today.

In 2007, Dr. Guyton joined Emory CT surgeon scientist Dr. Vinod Thourani and Emory cardiologists Dr. Vasilis Babaliaros and Dr. Peter Block as one of the local surgical Co-PIS of the multi-center PARTNER I trial of transcatheter aortic valve replacement (TAVR). The results of the national trial influenced FDA approval of the SAPIEN transfemoral transcatheter heart valve for treatment of high-risk patients with aortic stenosis in 2011.

In 2014, Dr. Guyton was inducted into Emory's Millipub Club for being co-author of a paper that has been cited more than 1,000 times in the literature. The paper, "Transcatheter aortic-valve implantation for aortic stenosis in patients who cannot undergo surgery," was published in the October 2010 edition of New England Journal of Medicine, and it reported the results of comparing TAVR to such standard therapies as balloon aortic valvuloplasty. Dr. Guyton and his co-authors concluded that the reduced mortality among patients treated with TAVR as opposed to traditional methods was significant.

### ABOUT THE RITZ CARLTON

The Ritz-Carlton Lodge, Lake Oconee and its spectacular natural settings and gracious Southern hospitality, it's an experience like no other. Arrangements for resort activities and amenities can be made by calling the concierge at 706-467-7130.

### HOTEL ACCOMMODATIONS

To reserve your room at the Ritz click on this link: <https://www.marriott.com/event-reservations/reservation-link.mi?id=1599674374301&key=GRP&app=resvlink>

Rooms begin at \$270 plus tax and fees for King and Queen rooms. Please make sure your schedule permits you to attend. In the past, rooms have been reserved, then released the week of the conference making it difficult for us to fill them. The hotel will automatically charge you for all nights if cancelled after Nov. 8. If you must cancel your room, contact Melissa Connor at the GA/ACC office so we can fill your room from the waiting list and avoid the cancellation fees.

### DIRECTIONS

The Ritz-Carlton Lodge is located just over an hour from Atlanta. Detailed directions can be located on their website at [www.ritzcarlton.com](http://www.ritzcarlton.com). Valet parking \$20 + tax and service charge per day.

### GA ACC CHILDREN

Unfortunately, the GA ACC will not be hosting the Saturday afternoon or evening activities for our member families this year. The children's fee of \$75.00 covers Friday night dinner and Saturday lunch.

### PRESIDENT'S RECEPTION AND DINNER

Our reception will begin at 6:00pm followed by dinner and the program. Dr. Vinod Thourani will present the Lifetime Achievement Award to Dr. Robert Guyton.

### POSTER PRESENTATIONS

The cardiology sections of the Emory University, Medical College of Georgia at Augusta University, and Morehouse School of Medicine will present poster presentations on Friday Night during our reception from 5:00 - 6:00pm. Please visit the presentations and welcome our presenters.

### ATTIRE

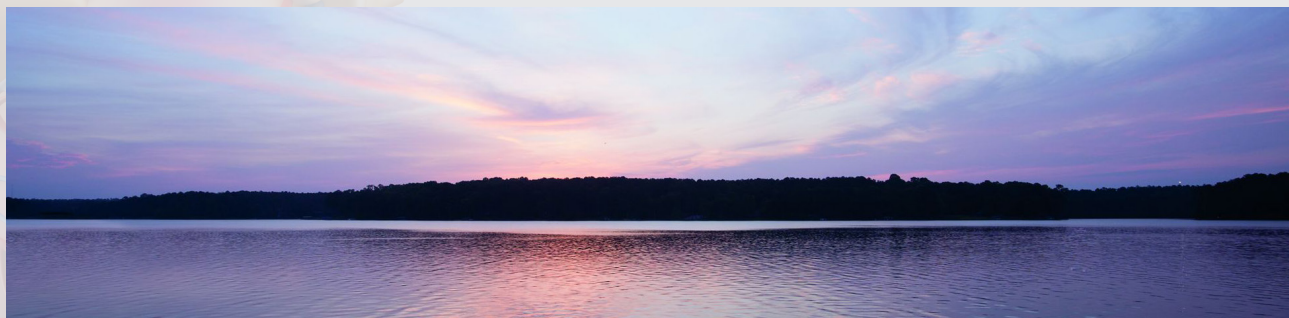

Casual attire is appropriate throughout the conference. Business attire is recommended for Saturday night's reception and banquet.

## OUR PLEDGE TO PROVIDE A SAFE ENVIRONMENT FOR OUR MEETING:

Our Council, Program Committee and staff have worked closely with the Ritz to provide a safe environment for our meeting, incorporating all infection control measures available to us. The following changes will be made to our usual meeting schedule and plans for the meeting:

- To facilitate social distancing, we will use the Pavilion and the Forest Tent, a new, 8,000 square foot facility for exhibits, receptions and dinners.
- Masks, which will be available at our registration desk, will be required for indoor functions.
- All children's activities have been eliminated. Children can attend the Friday night dinner and Saturday's Lunch at Gaby's but we cannot safely provide our usual entertainment activities.
- All food and beverages will be served to us by the Ritz staff, rather than self-serve buffets.

## RESORT INFORMATION - COMMITMENT TO CLEANLINESS:

Following are the details of the Ritz's commitment to cleanliness and comfort as of July 23, 2020.

The well-being of our guests and Ladies and Gentlemen is of utmost importance. We remain committed to providing a clean and comfortable environment for all who visit our resort. Below are steps we are taking to keep everyone healthy. Each operating department has its own customized set of procedures, even more detailed than the summary presented here. We will continue to refine and update our plans based on State and CDC Guidelines.

### OUR LADIES AND GENTLEMAN:

- Submit to temperature screening upon arrival for each shift.
- Are equipped with personal protective equipment, including face covering which they wear at all times.
- Have and continue to receive training on COVID-19 sanitation protocols.
- Are led by a designated resort Cleanliness Champion.

### ARRIVAL AND DEPARTURE:

- Using mobile technology: Mobile Key, eFolio delivery and Mobile Requests via the Marriott Bonvoy app.
- Choice of valet parking or self-parking.
- Choice of baggage assistance or personal unloading; to include golf bag storage.
- Front desk, bell desk, and concierge desk all equipped with plexiglass panels at counters.

### SOCIAL DISTANCING MEASURES:

- Reduced occupancy levels to accommodate social distancing requirements.

- Arrival queues throughout resort clearly marked for appropriate social distancing.
- Seating in restaurants, lounges, pools, and beach are spaced apart in accordance with state laws.
- Guest elevator occupancy is limited to family members or four non-family individuals.
- Stairwell access is available for all five floors of guestrooms.
- Signage posted to remind guests of social distancing guidelines and hygiene practices to prevent the spread of disease.

### FACE COVERING REQUIREMENTS:

- Effective July 27th, Marriott International requires all guests (ages 2 and older) in all hotels/resorts to wear a face covering in indoor public areas of the hotel, to slow the spread of COVID-19.
- In our resort, this includes the Lobby, all indoor restaurants, The Spa, Fitness Center, Club Lounge and meeting rooms.
- For the indoor restaurants and Club Lounge specifically, masks may be removed only when seated at your table.

### CLEANING PROCEDURES:

- Deeper and more frequent cleaning of high-traffic and high-touch areas, including handrails, elevator buttons, door handles, and surfaces.
- Utilizing cleaning products that kill the spread of COVID-19.
- Introduction of new cleaning protocol using sanitation products for public spaces.
- Touchless hand sanitizer dispensers are placed throughout the resort.
- Frequent cleaning of public area restrooms, including single-use hand towels.
- Deep cleaning between guest stays; focus on sanitizing every area of the room.

### GUEST ROOMS:

- Daily housekeeping services are available per individual guest preference to be confirmed at check-in.
- Housekeeping services will be performed when the guests are not present in the room.
- Deep cleaning of high-touch items such as handles, knobs, drawer pulls, hairdryer and remote control.
- Honor Bar has been removed from guest rooms, items are still available throughout the resort.
- Removal of decorative pillows and throws.
- All glassware has been replaced with single-use cups.
- Disinfectant wipes will be added to each room for personal use.

### DINING:

- In all restaurants, tables, chairs, and service equipment are sanitized after each use and at regular intervals.
- Restaurants will use single-serving condiments and single-use recyclable paper menus.
- Maximum of 10 guests per table in all restaurants.
- **Georgia's** is open daily from 7 to 11 a.m. for breakfast only for Resort Guests.
- **Gaby's by the Lake** is open daily for lunch from 11:30 a.m. to 3:30 p.m. and for dinner from 4:30 to 9 p.m. Reservations required, walk-ins based on availability. Boat dock arrival is currently closed.
